

**HYPERTENSIVE  
RESPONSE TO**

**EXERCISE AND ATRIAL  
ARRHYTHMIA STUDY:**

**NOW RECRUITING!**

---

SportsCardiologyBC is recruiting participants with a high blood pressure response to exercise for a new study.

If you are over the age of 18 and have recently had a stress test, ask if you qualify!

For more information on participating and to determine your eligibility, contact Carlee Cater at:

scbcresearch@alumni.ubc.ca | 604-822-9494
